Apprenticeship Applicant Questionnaire

Ironworkers are required to work within the terms and conditions of Collective Agreements. This includes working, at times, up to 7 days per week and/or 12 hours a day.
Are you willing and able to work under these conditions? Yes ____ No ____

To maintain employment, Ironworkers are often required to travel and live away from home for extended periods of time.
Is there anything which would prevent you from travelling and living away from home for extended periods of time? Yes ____ No ____

Ironworkers are regularly required to perform strenuous and physically demanding work.
Is there anything which would prevent you from performing such work? Yes ____ No ____

Ironworkers often face various lengths of unemployment, which may result in financial difficulty.
Are you prepared to face such a circumstance? Yes ____ No ____

Ironworkers are required to work in confined spaces with restricted access and egress.
Is there anything which would prevent you from entering through an access with an 18 inch diameter or working within a confined space, such as claustrophobia? Yes ____ No ____

Ironworkers are required to work with tools which transmit substantial vibrations to the operator.
Are you willing and physically able to work with such tools? Yes ____ No ____

Ironworkers are required to work both indoors and outdoors at various industrial sites, which expose the Apprentice to gases, fumes, dust, extreme noise, heat and cold. For these reasons the use of personal protective equipment is mandatory.

Is there anything which would prevent you from working under these conditions, such as respiratory problems? Yes ___ No ___

Are you willing and physically able to wear safety equipment such as a hard hat, respirator, safety glasses, hearing protection, etc? Yes ___ No ___

Ironworkers are regularly required to perform work from structural steel and scaffolds, at heights in excess of 200 feet above the ground.

Is there anything which would prevent you from working under these conditions such as a fear of heights, or being physically unable to wear a safety harness?

Yes ___ No ___

Ironworker Apprentices must actively complete on the job and in-school training requirements. Upon completion, the Apprentice must successfully challenge their Trade Certificate of Qualification Exam.

Are you willing and able to commit to the successful completion of the Ironworker or Rodman Trade Certification, in a timely manner and attend all training and required examinations? Yes ___ No ___
